It's almost that time again. Start gathering your information on your goldens wins. Attached is the new point schedule. A new schedule was approved last year and sent out. The new schedule is for Obedience, Agility, Field, and Rally. The conformation point schedule was not changed.

The reason for the change was it was widely felt that these are performance events where the dog and handler either do it or not. Your wins, legs etc are awarded on whether your dog can perform the task. It has nothing to do with a judge's opinion on if they **think** your dog meets the requirements. There for points are being given for owner/dog legs-awards and points for handler/dog legs-awards.

YOU MUST HAVE ATTENDED (participated) **TWO (2) EVENTS THIS YEAR**, (not just stopped by for 10 minutes to say hello) **TO BE ELIGIBLE**. Meetings are events.
